The landscape of modern languages in the UK is a complicated one, often fragmented in institutional units where the persistence of old language divisions does not always allow achievement of the synergies that genuine collaboration should

allow; at the same time, we do not always make the connections we should with natural interlocutors in other key departments such as history, English and politics; and there is still a tendency towards a chronic extroversion, by which I understand an exclusive Dream Science: Exploring the Forms of Consciousness on the cultures we are committed to studying. Tanner, Jakob Was ist Vertrauen. It looks like something went wrong submitting .
