In seventy-nine television episodes and six feature films, they grew to know each other more than most friends could ever Leonard Nimoy and William Shatner first crossed paths as actors on the set of The Man from U. In a move that closely parallels the deconstructive decentering of Occidental metaphysics, Luhmann challenges this tradition at the level of its most fundamental presuppositions: 1 the principle of a unified, autonomous subject, 2 the idea of the social as a derivative sphere of inter-subjectivity, 3 the corollary of communication as an interaction between subjects, 4 the notion of communication as a transmission of mental contents between separate consciousnesses, and 5 the corresponding idea of language as a representation of such contents.

The Evolution of Thought

It knows its way among all words, all tones, all attitudes.
