How was the Universe Created. Elise Cruzel also discusses the case of Attac activists, showing how a process of secondary socialisation - that is both union- and professionally-based - explains the construction of political choices and preferences. Finally, phenomena of secondary political socialisation can also exist outside the world of work or organisations as institutionalised as activist movements.

This article in a Swiss publication Thru His Grace a reasonable overview of how California, as a state, is tackling the question of electricity generation in particular, without much input from the people in Washington. As a facilitator I have two main roles: to ensure that a safe Thru His Grace space is created for the participants; and, to hold the psychological space for inner healing to take place. I worried about them, laughed with them, cried with them and for. As they poured themselves into studies of the life cycles and taxonomies of the species that fascinated them, few thought to measure or record something as boring as their number. It also recommends that Brazil continue to fully implement the new forestry code and complement it with programmes for more attractive livelihood options to discourage illegal clearing.
